

LODI BOWMEN, INC.

It is the goal of the LODI BOWMEN ARCHERY CLUB to promote archery for individuals and for families. Archery is a family sport. With this in mind, we wish to encourage participation in our many club activities. LODI BOWMEN ARCHERY CLUB is recognized as an innovator in its tournament activities. We encourage new ideas and that will enhance our sport, making it more enjoyable for all archers. Throughout the year we have many activities for the Target Archer and Bow Hunter. Our blue club shirts are easily recognized at many tournaments throughout the state. Many of our Target Shooters have taken awards for World, State,

National, Sectional, Regional and Senior Olympics. Many of our Bow Hunters have been recognized by the California Bowmen Hunters, in the Big and Small Game programs.

LODI BOWMEN ARCHERY CLUB is a family oriented club. Our activities include various campouts, barbecues, potlucks and inter-club tournaments. We have many activities at our archery range on Buena Vista Road. We have an awards banquet and officer installation in December. We work very hard to keep our range safe, groomed and clean. Our range has a picnic area, registration booth, scoreboard and many restroom facilities and a large parking area (good for dry-camp recreational vehicles, tents, etc). We will be continually improving our range and many times this means a little sweat and an occasional blister. There is a lot of camaraderie within the members and the hard work always reflects the BEST OF ALL LODI BOWMEN.

The bond that unites our club is the SPORT OF ARCHERY, TARGET ARCHER OR BOWHUNTER.

Fun for Families Shooter's School Compound Bow Archery School

Lodi Bowmen sponsors a four-week family-oriented school, given each year in October. The course is geared toward beginning archers; however, experienced archers will also find the classes helpful. The 32 hours of instruction are given by certified instructors at the Lodi Bowmen Archery Range. The cost is \$150.00 per family of four or \$100.00 for an individual. Need not be a club member to participate; equipment is provided.

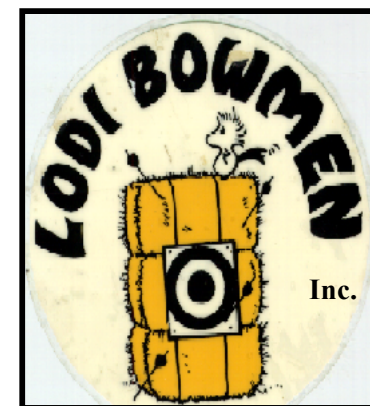

Four Consecutive Weekends in October
